

NEW PLAYER TRYOUT INFO

8/12/08

New Player tryouts occur in the following timeline

Age is based on player's age as of 7/31/2009.

Juniors (9-10 single age divisions) and Majors (11-12 single age divisions) tryouts occur in mid October, usually on two separate nights. Players only need to attend one of these tryouts.

Dates are NOT finalized until CCISD schools process gym requests which usually won't occur until after September 22nd. So Check back then on front page of website and also on this document for details on dates and locations.

Seniors (ages 13-14 in one division together), tryouts occur in early November, AFTER 7th-8th grade intermediate school team formations are completed. Note, if you make your school team you are ineligible (nor have time for) playing in CLBB.

Dates are not finalized. Check back in early October for tryout dates...usually in mid November before Thanksgiving

High School players play by GRADE. We try to have a 9-10th and a 11-12 grade, two divisions. These tryouts occur in early December.

Dates for tryouts are not finalized. Check back in Mid November for High School Tryout dates.

Go to CLBB FAQ "icon" to read about common questions to our league. For specific questions email Markvranderic@sbcglobal.net I have about a couple day turnaround on inquiries..
