

CLBB RETURNING PLAYER INFORMATION FOR 2009 SEASON

8/12/08

Registration forms will go out to all players in database in late September. Look for your form in the mail. If you do not get a form by September 30th, then please email Markvranderic@sbcglobal.net and I will get you one.

All returning players have a window prior to new player tryouts to register and guarantee a spot to play.

All tryouts, league evaluation dates **ARE NOT KNOWN YET**. We hope to start posting information in late September as the process to reserve gyms is rigorous and run by CCISD central office.

Returning player league evaluations occur **AFTER** new player tryouts.

For Juniors and Majors, these Returning Player League Evaluations will be in November.

For Seniors, it is later as many players this age will try out for school teams which occur during the last week of October and/or into early November (need to check on new school schedules). In any case, CLBB will have player tryouts for 13-14's **AFTER** school tryouts (whenever they occur). Note, New players and Returning Player evaluations occur at the same time, once these dates are set after school tryouts are over.

For High School, League Evaluations and New Player Tryouts occur at the same time and will be in early December.

Coaches – Division VP's will notify coaches about upcoming events and work on developing list of who is returning, etc.. Look for emails from your respective VP's starting in late September.
